Dear Barclay Neighbor,

For the 16th year in a row, HBS will publish the Barclay Farm Civic Association Directory. It will be delivered to every household in Barclay Farm.

You pay nothing.

Barclay has always prided itself on its sense of community. A directory strengthens the ties among residents. You can use it to contact your children's playmates or to determine the name of the family in the blue house down the street. The centerfold map is invaluable, especially for new residents. For over 20 years the Directory has become an essential part of Barclay households.

However, the Directory is only useful if it is accurate. By returning the enclosed postcard you will assist us in making sure your listing is correct. Instructions and more information are inside.

Thank you for your help. We know you'll be pleased with the result!
